Creator Rewards Eligibility Checklist

TIKTOKCREATIVITYPROGRAM.COM

The 5 Requirements

PERSONAL ACCOUNT

Ensure your account is set to personal and not business to qualify for the TikTok Creator Rewards program eligibility.

10,000+ FOLLOWERS

Accumulate a minimum of 10,000 followers on your account, which is essential for meeting eligibility criteria for the rewards program.

100,000+ VIEWS

Achieve at least 100,000 views on your content over the past 30 days to qualify for the TikTok Creator Rewards application.

The Content Audit Checklist

ENSURE YOUR VIDEOS MEET CRITERIA

- No business account is active
- No duets or stitches in library
- No videos shorter than 60 seconds
- No watermarked content is present
- No contact info displayed in bio

Application Timeline

VERIFY ELIGIBILITY

Confirm all requirements and proceed with application.

CONTENT AUDIT

Review your content against the checklist provided.

APPLY

Submit your application for the Creator Rewards program.

Your Pre-Application Score

ACCOUNT STATUS

Your account must be personal and not business-related. This ensures compliance with TikTok's eligibility requirements for creator rewards.

FOLLOWERS

Having at least 10,000 followers is essential to qualify for the TikTok Creator Rewards program and increases your chances of approval.

30-DAY VIEWS

Accumulating over 100,000 views in the last 30 days demonstrates your content's popularity and helps establish your eligibility for the program.

The Rejection Recovery Plan

VIDEO DISQUALIFIED

If your video is disqualified, you have an 80-day appeal window to request a review, which takes about three days.

APPLICATION REJECTED

If your application is rejected, you can appeal within 30 days and should re-check all requirements to ensure eligibility.

Post-Approval Timeline

HOUR 1

Post your best video over 60 seconds.

DAY 1

Confirm your dashboard and post a second video.

DAY 2

Engage with comments and check your analytics.
